### Imp. Pittodrie Upright

Is one of the greatest bulls ever used in Ohio. Since his stay here in Ohio he has sired one hundred and twenty calves, and there are another seventy to eighty on the way. He is the kind of a bull that sires calves suitable for our pedigree and commercial buyers. Good Shorthorn bulls "Weight-for-Age" kind are making Shorthorn bulls popular with the commercial cattleman everywhere. Shorthorns have not lost the beef cow essentials of weight for age, ease of fleshing, and milk in the cows. The commercial heifers selling in this sale offer you the same beef cow requisites. You can't go wrong with SHORTHORNS.
